Der Fremdling.

Oper in drei Aufzügen.

Heinrich Vogl.

Erster Aufzug.

Beim Aufgehen des Vorhanges zeigt die Scene den goldenen Saal in Asgardh. Im Hintergrunde rechts sieht man Mauern und Zinnen Walhalls, über die sich die Zweige der Weltesche ausbreiten und verschlingen. In der Mitte des Hintergrundes nordische Gletschergebirge, das beim Aufgehen des Vorhanges im Alpenglühen sich zeigt. Das Alpenglühen geht, zuerst gelb, dann weiss werdend in strahlenden Sonnenschein bei Baldur's Erscheinen über. Beim Sonnenaufgang erstrahlen die goldenen Wände des Saales durchglänzend.
